

# MITSY KIT FLEECE PILLOW PROJECT SLIDES

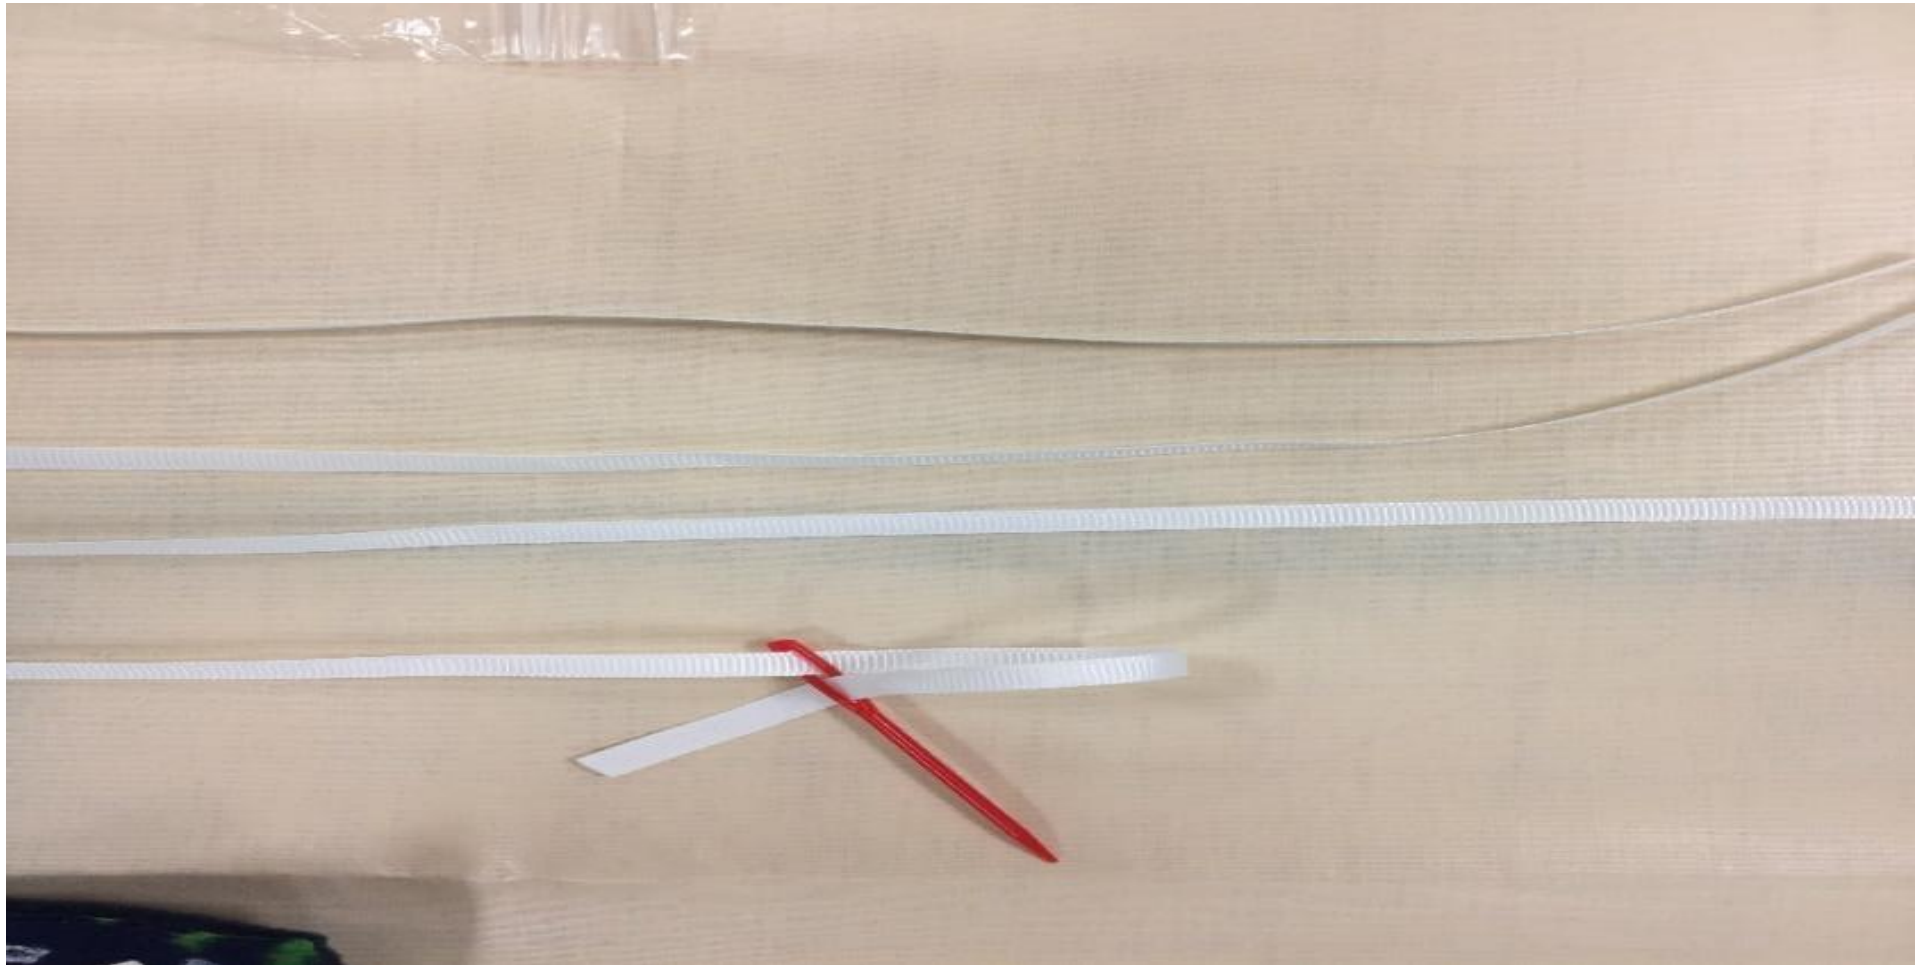

---

View online or print two slides per page for cue cards!

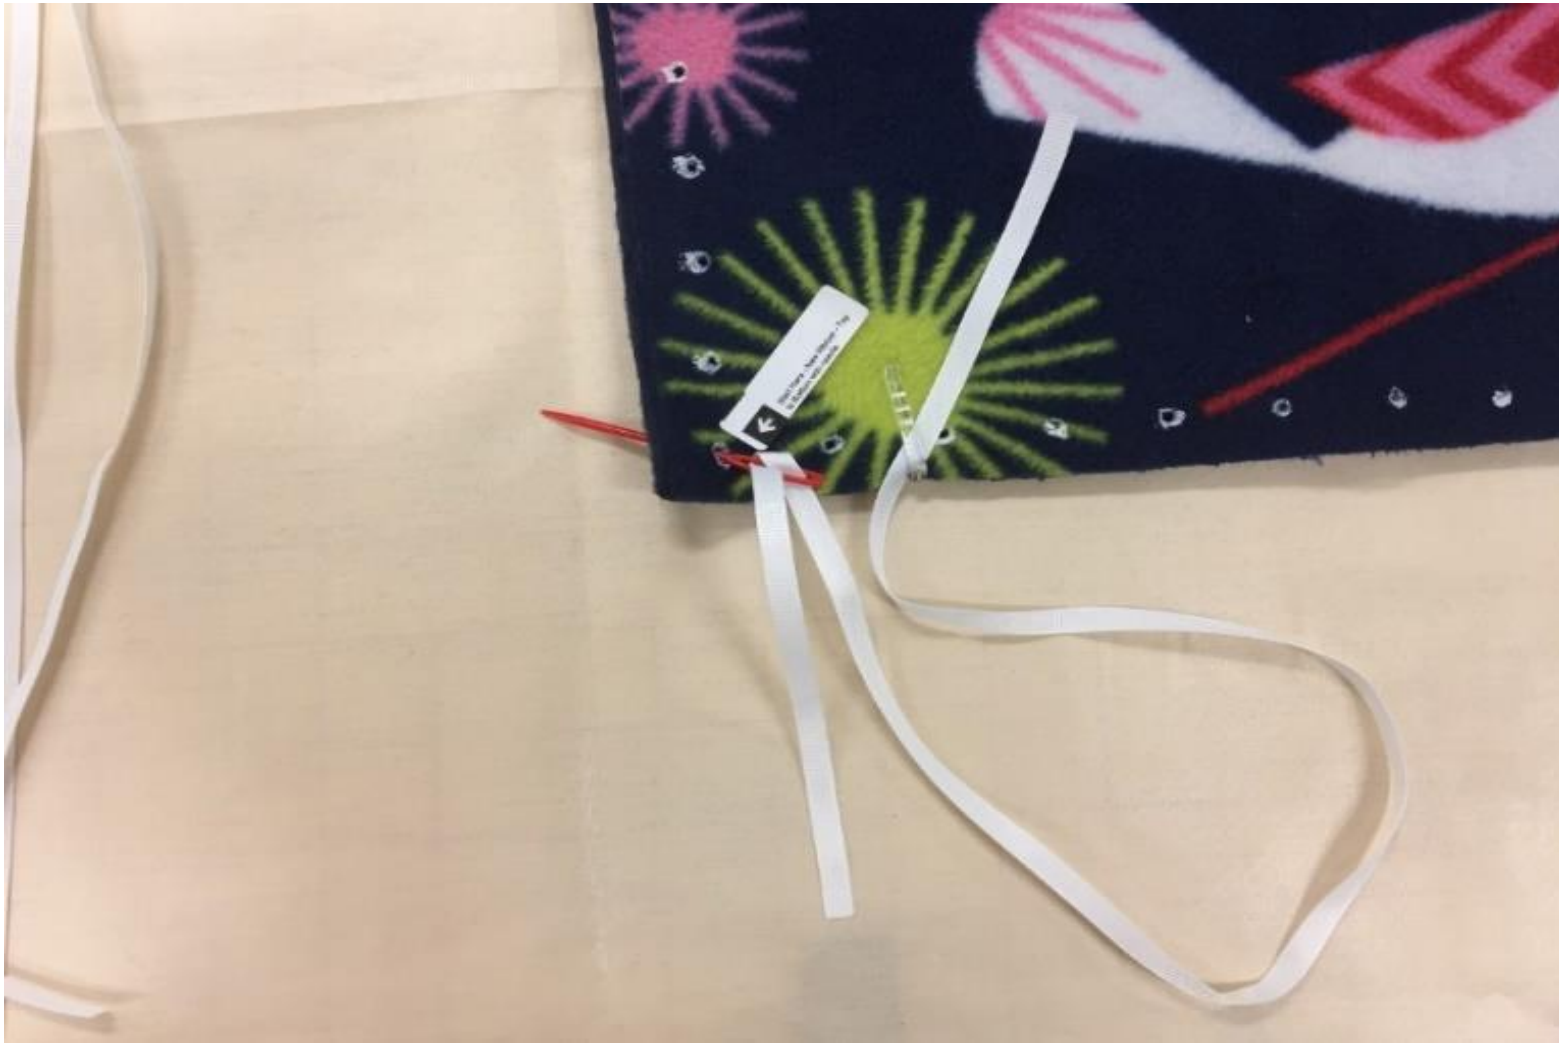

Step 1: Remove fabric & plastic bag with ribbon and plastic needle.

Step 2: Lace ribbon strand through eye of needle looping through twice to lock.

Step 3: Tuck 2" tail of ribbon under a plastic clip.

Step 4: Start lacing ribbon in corner hole; point needle **DOWN** through hole.

Step 5: Pull ribbon through to bottom, then point needle UP through next hole.

Step 6: Lace ribbon DOWN AND UP through holes - STOP BEFORE NEXT CORNER HOLE.

Step 7: Lace new ribbon strand through eye of needle.

Step 8: Repeat steps 3 through 7 to finish lacing **THREE SIDES** of pillow.

Step 9: Tie ribbon in double knotted bows at the two corners of pillow.

Step 10: Squeeze center of pillow insert and slide into open side of pillow case.

Step 11: Close up open end of pillow case with plastic clips.

Step 12: Lace last side of pillow case to end.

Step 13: Remove stickers and plastic clips then tie last two bows to complete.
